#### Account Payable Analyst with German

Boombarier Transportation

It was the logical move for me after 13 months in the Scanning team. I'm working in a team of 23 people where the main task is to process invoices in SAP by checking that all invoicing requirements are met by our vendors.

- SAP invoice processing
- owner of Intraco process
- part of Interco pool
- checking invoice compliancy
- meet the daily KPI's and assuring SLA is met

**22/02/2017 – 31/05/2018**

**Scanning Analyst**

Bombardier Transportation

- Receiving the post mail with invoices
- Printing the invoices from email
- Sorting the invoices by different criterias: PO, Address, Vendor origin, VAT margin
- Scanning the invoices and transferring them to SAP, so the Accounts Payable team will process them further.
- Filling the kpi sheet
- Archiving the invoices and send them back to Bombardier site once a month. (aprox 12000 invoices)
- If necessary back-up to other countries.
