ABOUT ME

I am a positive and calm person with sense of humor guided by the philosophy of treating others as I would like to be treated. I always try to see a problem from more point of views, but moreover I am a hard working person willing to always learn new things. I am eager to start a career in web development field and to transform a hobby in a full time job.

JOB-RELATED SKILLS

Job-related skills

At my current job, I learned what truly means "priority", we had a few times when we received some invoices that were overdue so I had to process them first. Dealing with this kind of situations I learned how to prioritize all my tasks.
